### **Valvoline oil change, Chicago, IL**— Certified Technician

December 22nd 2022 - June 8th 2023

As a technician for valvoline my roll for the company was to make customers satisfied on a daily basis with vehicle maintenance from doing:

- Oil changes
- Transmission flushes
- Coolant flushes
- Power-steering flushes
- Differential fluid change
- Serpentine belt replacement
- AC recharge
- Fuel injection

I'm a graduate from Lincoln technology of Melrose park and know my skills and certifications can be of good quality elsewhere.
