6B Crescent ridge Drive, Greenville SC, 29615

Email: [codyhilderbrand02@gmail.com](mailto:codyhilderbrand02@gmail.com) Cell: 864-386-8998 (text preferred)

Energetic and motivated worker dedicated to getting the job done accurately and efficiently. Exceptional interpersonal communication skills when working with customers, colleagues, and suppliers. Self-starter who thrives working on teams or independently. Excellent problem-solving skills, able to analyze, find root causes, and implement solutions. Able to conduct technical studies and tests, assess risks, and determine changes on various control, mechanical, and electronic systems, computers, and robotics. Identified and troubleshot Mechatronics systems, found root causes and repaired automated equipment, programmable logic controllers and robotics. Willing to travel domestically and internationally.

## **WORK EXPERIENCE**

### **BI-LO/FOOD LION, 2018-2023**

#### *Grocery Stocker*

- Processed delivery trucks: tallied 6-10 pallets per shift and input data on spreadsheets.
- Attention-to-detail; inspected 5 tons of groceries per truck/unloaded trucks using Pallet Jack.
- Unloaded and arranged merchandise onto 10-20 carts; groceries designated for correct aisles.
- Clearly coordinated with 2-4 workers/managers each shift; ensured safe unloading per truck.
- Strong initiative; cleaned and cleared debris from dock and storeroom areas.
- Provided fast, friendly, and accurate customer service—100% customer satisfaction.
- Meticulously received, prepared, conditioned and displayed merchandise in dairy and frozen food departments—complied with all policies and guidelines.
- Maintained complete understanding of and adherence to company guidelines, policies, and standard practices—corrected unsafe conditions and prevented 5+ accidents monthly.

### **Ethox Chemicals, 2023-2024-(90 Day Temp)**

#### *Maintenance Technician*

- Daily use of hand tools and power tools
- Daily maintenance on valves/pumps
- Critical thinking skills for safe and efficient solutions
- Analysis skills for identifying problems

### **Grainger, 2024-present**

#### *Warehouse Associate*

- Picked and packed orders to be sent out of the warehouse

## **OTHER QUALIFICATIONS**

- Use of schematics, blueprints, sketches, manuals to repair/replace defective electrical and mechanical components on equipment using hand power tools.
- Operational checks and maintenance inspections.
- Robotic and intelligent equipment design.
- Electrical and mechanical systems management.
- New equipment testing and installation.
