Work Experience

Automotive Technician

Midas-Columbia, SC

January 2023 to Present

Performed basic maintenance on all vehicles ranged from made in U.S to foreign imported vehicles. Inspections every oil change and fluid flushes and parts replacement on all variety of vehicles.

Automotive Technician/Mechanic

Mason Automotive Group-Lugoff, SC

February 2022 to December 2023

Mainline tech currently do almost everything besides recalls and havent got to replace any engines or transmissions on a toyota but given other main jobs like breaks, alignments, replacing parts bumper to bumper.

Technician

Phillong Hyundai of motor city-Colorado Springs, CO

October 2017 to January 2022

Was working on cars a little before getting a professional job in this career field. Was just a young highschool kid who took advanced automotive classes and got connected with my current boss. Started as soon as I turned 18. Learned basic automotive skills such as oil changes, tire rotations and tire wear knowledge. Can do alignments, brakes and recon work as well. Have replaced multiple parts from axles, suspension and steering systems. Can do fluid exchanges. Have done some electrical diagnosis, repair and full engine and body harness swaps and have done mechanical and engine diagnosis as well. I have swapped engines and have done short block rebuilds, replaced transmissions and i have replaced and resealed transfer cases and replaced rear differentials.

Stocker

Hobby Lobby-Colorado Springs, CO

April 2015 to September 2017

Was a stockman on a part time schedule. Had basic cleaning duties and was a regular stocker of supplies freight and furniture.

Education

High school diploma in Automotive Technology

Doherty High School - Colorado Springs, CO

August 2016 to May 2018
