(267) 621-7153

Experienced mechanic with a strong foundation in equipment operation, maintenance, and repair. Proven ability to troubleshoot and fix a variety of mechanical issues, including small engines, transmissions, and hydraulic systems. Skilled in performing routine maintenance tasks and ensuring compliance with safety and regulatory standards. Seeking to leverage practical skills and hands-on experience to contribute effectively as a Utility Vehicle & Equipment Mechanic.

Work Experience

Assitant Manager

Creamery Tire-Chalfont, PA

June 2022 to Present

- Managed operations at a fast-paced automotive service center, overseeing daily activities and training new team members in automotive repair techniques.
- Diagnosed and repaired various automotive issues, including tire replacements, brake repairs, oil changes, and small engine repairs.
- Managed inventory, ordered parts, and maintained accurate records to ensure efficient workflow and exceptional customer service.

Landscaping

Nicks lawn care-Lansdale, PA

January 2019 to December 2021

- Operated and maintained landscaping equipment like mowers, trimmers, and utility vehicles.
- Conducted routine maintenance such as oil changes, filter replacements, and blade sharpening.
- Troubleshoot and repaired small engines, clutches, and transmissions on equipment.
